

## **Deluxe awards \$200,000 grants for Hurricanes Harvey, Irma disaster relief**

Deluxe and our employees have a long history of helping those in need. Just a few weeks ago, the Deluxe Corporation Foundation donated \$100,000 to the Red Cross to help those devastated by Hurricane Harvey in Texas. This week, we are donating another \$100,000 to the Red Cross to help those affected by Hurricane Irma in Florida. This is in addition to the Foundation's \$100,000 annual grant awarded each year to help the Red Cross prepare for worldwide disasters and other tragedies.

We are also reaching out to our Deluxe customers impacted in Texas and Florida, offering to reprint any Deluxe product destroyed in the hurricane. It is the right thing to do to help our customers in this difficult time.

I am also encouraging Deluxe employees to personally donate to the Red Cross by going to <http://www.redcross.org/>.
