

Community Foundation Services for Regional Associations' Members

In 2016 the Forum of Regional Associations of Grantmakers is piloting several services for community foundations that the Forum's Regional Association (RA) members can offer to their community foundation members, as a benefit of RA membership.

Community Foundation Boot Camp

In 2016 the Forum is presenting a two-day Community Foundation Boot Camp program in two locations, Charlotte, NC on August 22-23 (which is sold out) and Denver, CO on August 17-18. The boot camp provides a comprehensive overview of the structure and operations of a community foundation. The program is an ideal in-depth introduction to community foundations for new community foundation staff, community foundation board members, or more experienced community foundation staff looking for a good refresher. All members of Regional Associations can register for the program at the member rate of \$450/person before May 31 or \$500/person after May 31. Community Foundation Legal Help Desk

The Community Foundation Legal Help Desk is an online service where subscribers can submit their legal questions to an attorney with specialized knowledge and experience in laws that specifically affect the operations of a community foundation. The attorney will respond in writing or arrange for a phone conversation. The service is being offered by the Forum in partnership with Indiana Philanthropy Alliance. You can learn more at www.cflegalhelpdesk.org.

National Community Foundation CEO Listserve

This new service will allow community foundation CEOs to communicate easily via email with other community foundation CEOs from across the country, to pose questions, engage in conversations and more. The service is being made available to Regional Associations' community foundations members as a benefit of membership with their RA, and is operated by the Forum. If you are interested in participating in this national community foundation CEO listserv, please contact your RA representative.
