transaction in good faith by the affirmative vote (without counting the interested Director) of a majority of the Board at a meeting at which there is a quorum present, again without counting the interested Director.

Form 990, Part VI, Section B, Line 15a:

The Council strives to achieve fair, transparent and effective ways of recognizing, motivating and rewarding staff for contributions to achieving its mission. MCF uses a compensation system that determines the current market value of the position based on the skills, knowledge and behaviors required of a fully competent incumbent. The system used is objective and non-discriminatory in theory, application and practice. The Board of Directors is responsible for the review and approval of the position level, pay range, and the specific compensation package for the President.

MCF conducts a salary review, periodically, that compares similar organizations including nonprofits, organizations of similar size and those in the Twin Cities metro area, or region, as appropriate for the level of position and as available. The process was conducted in 2019 to establish the hiring rate and total compensation for the organization's new President Susie Brown.

The Minnesota Council on Foundations uses comparative data from other member associations and nonprofits to establish compensation for all staff.

MCF uses data from the Minnesota Council of Nonprofits, the United

Philanthropy Forum, and other sources. The compensation was evaluated for all positions in 2019, and established for several newly created positions.
