MCF acts as a fiscal agent for another entity and reports those assets being held as a liability. The amount reported as a liability at December 31, 2022 is \$28,617.

#### Part X, Line 2:

MCF believes that it has appropriate support for any tax positions taken affecting its annual filing requirements, and as such, does not have any uncertain tax positions that are material to the financial statements. is available if requested. Declarations of conflicts of interest are a standard agenda item at each board meeting. Prior to board action on a contract or transaction involving a conflict of interest, a Director who knows he or she has a conflict of interest and who is in attendance at the meeting shall disclose all facts material to the conflict of interest. Such disclosure shall be reflected in the minutes of the meeting.

A director who does not plan to attend a meeting at which he or she has reason to believe that the board will act on a matter in which the person knows he or she has a conflict of interest shall disclose to the Chair all facts material to the conflict of interest. The Chair shall report the disclosure at the meeting and the disclosure shall be reflected in the minutes of the meeting. If the Director having the conflict of interest is the Chair, then the required disclosure shall be made to, and the required report to the board shall be made by, the President.

Responsible persons who are not Directors of MCF, or who have a conflict of interest with respect to a contract or transaction that is not the subject of board action, shall disclose to the President or Chair any conflict of interest that such responsible person knows he or she has with respect to such contract or transaction. Such disclosure shall be made as soon as the conflict of interest is known to the responsible person. The responsible person shall refrain from any action that may affect MCF's participation in such contract or transaction. The President or Chair shall determine whether the conflict of interest should be reported to or acted on by the Board, and shall make a written record of the disclosure and the decision on whether to bring the matter to the Board. If the matter does not require Board consideration, the President or Chair may address the matter.

If it is not entirely clear whether or not a conflict of interest exists, then the individual with the potential conflict shall disclose the circumstances to the Chair or President, who shall determine whether there exists a conflict of interest that is subject to this policy. The Board shall review each conflict of interest that is reported to it, and may approve the affected contract or transaction if the material facts as to the contract or transaction and the conflict of interest are fully disclosed or known to the Board and the Board approves the contract or transaction in good faith by the affirmative vote (without counting the interested Director) of a majority of the Board at a meeting at which there is a quorum present, again without counting the interested Director.

Form 990, Part VI, Section B, Line 15a:

The MCF strives to achieve fair, transparent and effective ways of recognizing, motivating and rewarding staff for contributions to achieving its mission. MCF uses a compensation system that determines the current market value of the position based on the skills, knowledge and behaviors required of a fully competent incumbent. The system used is objective and non-discriminatory in theory, application and practice. The Board of Directors is responsible for the review and approval of the position level, pay range, and the specific compensation package for the President.

MCF conducts a salary review, periodically, that compares similar organizations including nonprofits, organizations of similar size and those in the Twin Cities metro area, or region, as appropriate for the level of position and as available. The process was conducted in 2019 to establish the hiring rate and total compensation for the organization's new President
